In response to the Notice to File Missing Parts of Nonprovisional Application dated February 13, 2002, the applicants provide the enclosed written Sequence Listing with pages numbered 1-10. Please insert this Sequence Listing to replace the current Sequence Listing immediately following the Abstract. Also submitted herewith is a disk containing the Sequence Listing in computer readable form (CRF). The content of the CRF is identical to the written Sequence Listing submitted herewith. Neither the written Sequence Listing nor the CRF introduces any new matter. They are identical to the corresponding

elements in the parent application, PCT US00/16827, to which priority is claimed, and which has been fully incorporated into the present application by reference.

Please provide any extensions which may be necessary and charge any fees that may be due to Deposit Account No. 23-3030, but not to include payment of any issue fees.

Respectfully submitted,

By:

  
Kenneth A. Gandy
